COME CELEBRATE WITH US! JUNE IS "HOME OWNERSHIP" MONTH!

Yes! You can dare to dream!

The "Go LOCAL!" program
brought to you by the Sussex
County Association of
REALTORS® can make it happen.

Learn about new opportunities for
you to become a homeowner and
about special programs that
provide funding to help make that
dream a reality.

This program both encourages and
promotes employer-assisted
housing (EAH). Employers can
offer to help strengthen their
employees' potential to purchase
their own homes while
strengthening communities and
empowering its workforce.
